Fine dining has always been a pillar of the Windstar experience. As the *Official Cruise Line of the James Beard Foundation*, our menus feature locally inspired cuisine, developed by a list of culinary all-stars using new flavors and fresh ingredients.

Amphora: Our main dining menu, Amphora promotes a contemporary, international menu and fresh local dishes. The restaurant features mirror panels with Murano glass, soft lighting, wall coverings and art work. Dishes by James Beard Foundation-affiliated chefs are served nightly.

Candles: A romantic setting, Candles offers alfresco dining with fine steaks and grilled skewers, where guests can dine under the stars. No-charge reservations required once on board.

Basil + Bamboo: Step into Basil + Bamboo, where clean lines and warm accents set the stage for a relaxed, refined experience. Savor dishes that fuse Asian influences with a Mediterranean twist — an inventive culinary adventure designed to delight your palate and create moments of shared discovery.

Veranda: An inviting breakfast and lunch buffet with plentiful outdoor seating, Veranda offers a variety of options including many local ingredients.

Complimentary room service: In addition to a 24-hour room service menu, our in-room dining options include courses from our main restaurant, Amphora, during dining hours.
